**WI Director of
Nursing Council**

DNS-CT Workshop Presenter

Joey Pettis RN, WCC, DWC, DNS-CT | Executive Director | Master Trainer
Wisconsin Director of Nursing Council - Education Forum,

Over her 30 year career, Joey has demonstrated a proven ability to mentor and engage teams in producing results. As the innovator of the LTC Nursing Leadership Course, her personal mission to improve D.O.N. retention through education and support.

LTC Nursing Leadership Course Presenters

Diane Dohm, MT, IP, CIC, CPHQ | Nursing Home Project Specialist
MetaStar, Inc.

As an HHS certified Medical Technologist and board certified in Infection Prevention and Control, Diane's role as a Nursing Home Project Specialist is to assist Wisconsin long-term care facilities with infection control and prevention, enrollment and data entry in the National Healthcare Safety Network (NHSN), reduction of C. difficile, and antibiotic stewardship. Diane is active in APIC and has served on the Badger Chapter board of directors, receiving the National APIC Chapter Leader Award.

Kris Modl, ACBSW | Social Services & Admissions Director
Dove Healthcare South & West Eau Claire.

Kris is a certified social worker in the State of Wisconsin. She holds accreditation as a certified social worker with the National Association of Social Workers. Kris has worked in health care for 31 years of which the last 21 years have been at Dove Healthcare South & West Eau Claire as the Director of Social Services and Admissions. Kris was the recipient of the 2017-18 HOPE Award from the UW - Eau Claire, and the recipient of the Excellence in Community Partnership Award from UWEC Social Work Department in 2018.

Director of Nursing Service Certification (DNS-CT) Workshop & Wisconsin Long-Term Care Nursing Leadership Course

The Wisconsin Director of Nursing Council has partnered with the American Association of Directors of Nursing Services (AADNS) to provide the DNS-CT Workshop. In addition to providing the DNS-CT portion the course will include two additional days as a supplement for Wisconsin specific regulations and survey focus areas. This entire course will prepare the attendee to meet the core competencies of the Nurse Leader in Wisconsin.

This partnership will ensure the latest updates and high-quality education needed to lead.

Take your leadership and management talents to the next level with a preparatory workshop. Earning this credential validates your expertise, gives you the advantage among your peers and helps you improve quality, communication, and resident care throughout the facility.

Meet the challenges of long-term care as they arise with strategies to excel during surveys using tested best-practices. Apply a team approach to quality improvement that honors resident preferences and leverages staff skills. Protect your residents with risk-management plans that adhere to current compliance stands. Prevent burn-out and minimize facility turnover by promoting communication and participation. Comply with human resource regulations, laws, and challenges not matter the situation.

This workshop will complement your nursing expertise with leadership and management skills to help you discover your true potential. Workshops are taught by individuals who go through rigorous requirements to become Master Teachers and who are experts in the field.

The DNS-CT credential is perfect for the directors of nursing services, nursing home administrators, vice presidents of clinical services and other long-term care nursing professionals with management responsibilities.

DNS-CT Prep Workshop Education Program Information

Continuing Education for Nurses

The American Association of Post-Acute Care Nursing, dba AADNS, is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The DNS-CT Prep Workshop is worth 22.5 continuing nursing education credits.

Continuing Education for Nursing Home Administrators

This educational activity has been approved for 22.5 NAB credits for nursing home administrators. Certificates for NAB credits will be processed and emailed to students within 45-business days after the conclusion of the workshop, which will include the specific approval number for this workshop site.

Criteria for Successful Completion

To be awarded the full amount of continuing education, students can miss no more than 10 minutes of the entire activity. Students are also required to sign in each day of the activity; names cannot be added retroactively once the training has concluded.

Earning the DNS-CT Credential

This preparatory workshop was designed to support achievement of the DNS-CT credential. Information on your enrollment will be provided during the course.

DNS-CT Certification Requirements*

- Hold a current RN license
- Have the equivalent of two years of full-time long-term or post-acute care experience, with a minimum of one year of experience as either a DNS or relevant nursing leadership experience
- Pass the DNS-CT certification exam with a score of 80% or better

If you have other questions regarding the DNS-CT Prep Workshop or would like more information on AADNS, please call 844.796.9634 or send an email to education@AADNS-LTC.org.
