Long-Term Care Nursing Workshop 2019

Learn. Network. Grow.

Workshop 2019 brings together Nursing Leaders in the Long-Term Care and Post-Acute Care Continuum. Attendees will explore approaches to challenges and offer strategies to meet their goals. Join your colleagues in exchanging insights and experiences, and take back new information to share with your organization.

Thursday, Sept. 19, 2019

7 am **Registration Open**
7:30 – 9 am **Continental Breakfast**
8 am **Exhibitor Show Room Opens for Setup**

8:45 – 9:45 am **How to Retain Employees Through Servant Leadership**

Dena Graff MASL, BSN, RN, DNS-CT | Director of Home-Based Services, Black River Memorial Hospital

Servant Leadership is growing as the model for organizations to gain and retain employees. In a competitive job market, learning and embracing servant leadership principles will help leaders empower their employees with purpose. During this session, attendees will discuss servant leadership principles, and how to employ and practice servant leadership principles in order to improve and retain employee relationships.

9:45 – 10 am **Break**

10 – Noon **Wound Care: Section M Update of the MDS for PDPM** Martha R Kelso, RN, LNC, HBOT | CEO, Wound Care Plus, LLC.

Wound Care regulations can be complicated, complex, and cover a wide array of topics since the implementation of the Mega Rule phases. This educational opportunity will discuss the changes, along with best practice standards to meet the updates to the Federal Regulations. What processes should be in place? What processes must be in place? How do you know if your building is meeting the current regulations? Attendees will: Review changes to the

Mega Rule specific to wound care. Utilize documents designed to implement processes for compliance with the Mega Rule. Visualize negative examples caused by not implementing standard practices. Discuss simple tips to assist with the Mega Rule implementation.

11:30 am **Exhibitors Only Lunch**

Noon – 2 pm **Exhibitor Show and Lunch Buffet**

2 – 3:30 pm **PDPM 2.1 | Clinical Care Collaboratives**
Tina Scroeder-Berte | CEO, Pro Ed Continuum, LLC.

Collaborative care pathways are the key to your facility's success in providing patient driven care to achieve clinical outcomes while ensuring margins are met. Nursing and therapy need to collaborate and communicate in order to ensure we are providing the correct care pathway for a successful transition out of the facility. Come and learn what collaborative care pathways are, get examples that you can take back to your teams, and learn how to customize some for yourself.

3:30 – 3:45 pm **Break**

3:45 – 4:45 pm **Restorative Programs under PDPM**
Dean Freeland | Theracore Management Group

During this session, attendees will evaluate how their Restorative Program needs to be redefined under the new rules of PDPM.

HAVE FUN. MAKE CONNECTIONS. JOIN US.

6 pm **Networking Event**

Friday, Sept. 20th, 2020

7 am **Registration Opens**
7 – 8:30 am **Continental Breakfast**
8 am **Opening Remarks**

8:15 – 9:15 am **Healing Wounds with Collagen: Knowing the Difference Makes All the Difference**

Martha R Kelso, RN, LNC, HBOT | CEO, Wound Care Plus, LLC.

Collagen is considered an advanced wound dressing. From the time collagen was developed and first introduced used for wound care, it has changed many times. What do you need to know when selecting collagen? What barriers could prevent you from using collagen? When is a wound ready for collagen? We will cover the basics, as well as, the advanced information surrounding this dressing. Attendees to this session will: 1) Identify what a wound wants, needs, and why 2) Review indications and contraindications for a collagen dressing 3) Discuss considerations of collagen in treating and healing wounds

9:15 – 9:30 am **Break**

9:30 – 10:45 am **How to Work With the Staff You Have Under a Changing Regulatory Environment**

Reginald M. Hislop, III Ph.D. | Managing Partner, H2 Healthcare, LLC

This session will teach you how to develop an education plan for staff and leadership regarding their evolving roles under PDPM and other value-based reimbursement programs. We will model for best practice; and how to analyze and track and trend data from various sources; and how to utilize various QAPI approaches to augment compliance and keep staff engaged in critical performance areas such as avoidable/preventable readmissions, antibiotic stewardship, pain management and opioid stewardship, care coordination/discharge management, and of course, survey readiness.

10:45 – 11 am **Break**
11 – Noon **Top 10 Approaches**
Doug Engelbert, DQA

This session will review ten common nutritional supplements and alternative medications used in long-term care facilities, including CBD Oil. At the completion the attendee will:

- 1) Know the purpose of the ten common nutritional supplements
- 2) Know the concerns clinically about the supplements
- 3) Know the regulatory and accepted practices for managing these products for residents in long-term care facilities

Noon – 12:30 **Lunch Session**
12:15 -1:15 pm **State of Long-Term Care Nursing** | Otis Woods, DQA

Skilled Nursing facilities and long-term care continuum are experiencing tremendous changes. During this lunch session, Mr. Woods will discuss the current state of skilled nursing and assisted living environments.

1:15 – 2:15 pm **Break**

2:15 – 3:15 pm **Trauma Informed Care: What Now?** | Toni Kettner & Mia Croyle, Metastar, Inc.

Trauma Informed Care is a new and emerging topic. Leadership teams need to define and plan for its implementation. During this session, we will discuss new updates related to the regulation, screening process/questions. We will develop care plans (identifying triggers and avoiding re-traumatization), partnering with psychiatry and psychology services, and assuring staff competencies are met.
